About Our Health System:

UPMC Altoona (part of the University of Pittsburgh Medical Center hospital network) is a 375-bed regional health care system providing care to residents of a six-county service area in central Pennsylvania. UPMC Altoona is a level II trauma center, regional oncology center, and a JCAHO-certified stroke center. UPMC Altoona provides comprehensive cardiology and cardiovascular surgery, behavioral health, a vascular and wound care center, and an Institute for Sleep Medicine.

UPMC Altoona

About the Practice:

Altoona Family Physicians (AFP) is a three-year, dually accredited MD and DO family medicine residency program sponsored by UPMC Altoona. The 8-8-8 program boasts 14 full-time family medicine faculty and three OB-GYN faculty. Affiliated with UPMC, Penn State Hershey School of Medicine, and the Philadelphia College of Osteopathic Medicine, the program is accredited by ACGME, AOA, and ACOFP.

AFP residents at work

One of four family medicine residency programs in the UPMC system, AFP is an established, dynamic, thriving program that develops competent, caring family physicians who provide primary care services that include: pediatric care, obstetric care, wellness exams, office surgeries, and hospital inpatient care.
