### About Our Health System

UPMC Altoona (part of the University of Pittsburgh Medical Center hospital network) is a 400-bed regional health care system providing care to residents of a six-county service area in central Pennsylvania. UPMC Altoona is a level II trauma center, regional oncology center, and a JCAHO-certified stroke center. UPMC Altoona provides comprehensive cardiology and cardiovascular surgery, behavioral health and a vascular and wound care center. The Health System's medical staff is comprised of approximately 400 primary care physicians and specialists.

### About UPMC Altoona Hospitalists

The UPMC Altoona Hospitalist Department includes over 23 hospital medicine physicians and 12+ advanced practice providers. The Hospitalist service works in conjunction with many outpatient primary care providers in the community to provide continuity of care to established patients. There is also an Intensivist Service at the hospital, as well as medical and surgical specialists who are available for consults. The Hospitalists do not perform procedures; nor are they responsible to do codes.
