

## Blair Medical Associates

## Regional Stroke Center at Altoona Hospital Campus

## Blair Medical Associates

### *Neurohospitalist*

#### **The Practice:**

Blair Medical Associates (BMA) – Neurology Division is comprised of 4 Board Certified Neurologists, providing services in: General Neurology, Neurophysiology, Electrodiagnostic Medicine, Stroke, and Neuro-Ophthalmology. The Division is also staffed by a nurse practitioner and two physician assistants, nurses, and support staff.

BMA is the premier multi-specialty group practice serving central Pennsylvania since 1972. BMA provides inpatient and outpatient medical services in: Internal Medicine, Family Practice, Cardiology, Hematology/Oncology, Neurology, Endocrinology, Dermatology, Pediatrics, Wound Care, OB/GYN, Pulmonology, Plastic Surgery, and Urology. BMA has a total of 50 physicians including 16 primary care MDs/Dos.

#### **The Opportunity:**

The Neurohospitalist position workload is comprised of 100% inpatient work: rounding on approximately 25 inpatients per day, answering an average of 4 – 6 inpatient consults per day, and responding to in-hospital Code Grays: stroke team activations (approximately 18 per month)

## AN EXCEPTIONAL OPPORTUNITY IN CENTRAL PENNSYLVANIA

#### **The Health System:**

Altoona Regional Health System is a 500-bed regional health care system providing care to residents of a six county area in Central Pennsylvania. As a regional healthcare provider, Altoona Regional is a Level II trauma center, regional oncology and cardiac center, and a JCAHO-certified stroke center.

Blair Medical Associates practice is affiliated with Altoona Regional Health System.

#### **The Community:**

The Altoona/Blair County/Central Pennsylvania region is a family-oriented community with excellent school systems, abundant cultural amenities, easy access to larger, neighboring cities, and unlimited outdoor and recreational opportunities. For more information, please visit [altoonaregional.org/resourcecenter](http://altoonaregional.org/resourcecenter).
