Altoona Regional Health System Altoona Hospital Campus

Blair Medical Associates

Urologist

AN EXCEPTIONAL
OPPORTUNITY IN
CENTRAL PENNSYLVANIA

The Practice:

Blair Medical Associates (BMA) is the premier multi-specialty group practice serving central Pennsylvania since 1972. BMA is comprised 50 physicians in 12 clinical departments including: Family Medicine, Internal Medicine, Endocrinology, Dermatology, Pulmonology, OB/GYN, Pediatrics, Cardiology, Hematology-Oncology, Plastic Surgery, Neurology, and Urology. The recently created Urology Department will serve a growing patient base in the community. For more information, please visit www.bma.md

The Opportunity:

Blair Medical Associates is seeking a urologist to join its newly established Urology Department. The Department will be comprised of 2 – 3 urologists, one of which has commenced practicing. A competitive salary and a comprehensive benefit package are being offered, as well as generous vacation and CME time.

The Health System:

Altoona Regional Health System is a 500-bed, two-hospital regional health care system providing care to residents of a six-county area in Central Pennsylvania. ARHS is a level II trauma center, regional oncology center, and a Joint Commission – certified stroke center. As a regional provider of cardiology & cardiovascular services, ARHS provides over 6,500 diagnostic and therapeutic cardiac catheterizations; as well as open heart surgery. For more information, please visit altoonaregional.org.

The Community:

The Altoona/Blair County/Central Pennsylvania region is a family-oriented community with excellent school systems, abundant cultural amenities, easy access to larger, neighboring cities, and unlimited outdoor and recreational opportunities. For more information, please visit altoonaregional.org/resourcecenter.
