Pleasant Valley Cardiology

Invasive or Interventional Cardiologist

The Practice:

As a well established practice in central Pennsylvania, Pleasant Valley Cardiology (PVC) has been providing diagnosis and treatment for patients with diseases of the heart and circulatory system for 25+ years. The cardiologists practice at 3 nearby hospitals in neighboring communities in central Pennsylvania.

The Health System:

Altoona Regional Health System is a 500-bed, two-hospital regional health care system providing care to residents of a six-county area in Central Pennsylvania. ARHS is a level II trauma center, regional oncology center, and a Joint Commission – certified stroke center. As a regional provider of cardiology & cardiovascular services, ARHS provides over 6,500 diagnostic and therapeutic cardiac catheterizations; as well as open heart surgery. For more information, please visit altoonaregional.org.

AN EXCEPTIONAL
OPPORTUNITY IN
CENTRAL PENNSYLVANIA

The Opportunity:

PVC is seeking an additional invasive or interventional cardiologist to join their busy, growing, practice. A competitive salary and a comprehensive benefit package are being offered, as well as generous vacation and CME time.

The Community:

The Altoona/Blair County/Central Pennsylvania region is a family-oriented community with excellent school systems, abundant cultural amenities, easy access to larger, neighboring cities, and unlimited outdoor and recreational opportunities. For more information, please visit altoonaregional.org/resourcecenter.
