

The staff of Altoona Regional Health System is dedicated to always providing exceptional care and customer service to patients, visitors, physicians and other staff members. Often, employees must go the extra mile to ensure our patient's needs are met and expectations are always exceeded.

Please tell us about an employee, physician or volunteer who went that extra mile for you and exceeded your expectations by filling out a recognition form, detaching the panel and mailing the postcard to the Rewards and Recognition Team.

Exceptional employees can be nominated by Altoona Regional Health System patients and their families, staff members, physicians, volunteers and anyone visiting the hospital.
